

## Small Engine Rats Race Club Race Safety and event rules

### Race Safety

Racers and teams must follow any rules as stated in class rule books. Racers and teams must do as there told for safety by any club leaders or track staff. All members must keep a safety focused mindset.

Racers must race in full clothing or wear what your class request. Pants, Shirts,shoes,gloves, Racers may wear open face helmet with glasses or goggles. Racers may wear full helmet, Racers must wear neck brace with full helmet and is recommended with open face helmet. Follow all race rules in class including anything else pointed out by event officials or lead club members.

### Event Safety and rules

As noted in our agreement no one but your self is responsible for your own injury. We ask that you stay safe and watch your surroundings. Keep a eye out around you and for whats going on around you. Keep a eye on others and lets keep a safe fun club environment.

To enter all events you must register and show your club card. If any fees or donations are needed you will pay them. If your racing in any class or all classes you must pay the fees and you will be giving a race slip for your events. We will be working on ways to enter events ahead of time online in the future.

Clean up after your self and use the trash cans or bring your own bags to keep our areas clean. Members caught making a mess may be removed.
