

Race Membership Classes

We have five race levels or classes at this time.

Youth, Rookie, Amateur, Pro and Legends

Youth is for anyone under 13 years of age or that has disability that allow them to race in Youth races.

Youth can race in the 79cc class. However anyone in the youth class can earn there way up into a Rookie class and join the next race classes.

Rookie is for new drivers or Youth drivers that have worked there way up. Rookies can not race in the Youth class.

Rookies can race in the slower classes such as the Wild Rats 212. This class is looking to be one of our most popular classes.

Pro- Pro can race in rookie classes and pro classes such as the Pro rats 420

Legends- Legends can race in Rookie races, Pro races and legend races. All though at this time the legend class is not shown in our information. We have plans for another class above the 420 class. However things can change in time such as the class layout and racer levels.
